Background

3. The project proposal was approved at the March 2009 IAASB meeting. The IAASB considered an Issues Paper on scope and directional issues for the project at its June 2009 meeting. Issues Papers on technical aspects of revision of ISRE 2400 were considered at the September 2009 and March 2010 IAASB meetings. At its June 2010 meeting, the IAASB considered significant issues in the revision of the ISRE and a first read of the draft revised ISRE. The Task Force also received comments from the IFAC Small and Medium Practices Committee (SMPC) at the SMPC’s meeting in June 2010.

4. The Task Force presented revised practitioner’s objectives in an engagement to review financial statements for the IAASB’s consideration at its meeting held by teleconference in July 2010.

Activities since Last IAASB Discussions

5. In July 2010 members of the Task Force participated in a roundtable discussion arranged by the Consultative Committee of Accountancy Bodies in the United Kingdom, to obtain view from UK stakeholders on this project and on some of the key issues arising to date.

6. The Task Force held face-to-face meetings in June, July and August 2010, and further teleconference meetings throughout that period, to consider the comments received in developing the draft revised ISRE 2400. The Task Force also held two calls with the IAASB CAG Working Group for this project, to advise it of developments concerning the project.

7. The Task Force will receive comments from Representatives of the IAASB Consultative Advisory Group (CAG) at the September 2010 meeting of the IAASB CAG.
