**Background**

\(^2\) ISA 610, *Using the Work of Internal Auditors*
from 57 respondents. A list of respondents is provided in Agenda Item 10-A. All comments letters can be accessed from the IAASB website at http://www.ifac.org/Guidance/EXD-Details.php?EDID=0141.

5. The original project plan anticipated that the Task Force would present a full analysis of respondents’ comments and propose responses to them at the March 2011 IAASB meeting. However, in light of the responses received, the Task Force decided to engage in further dialogue with CAG and other stakeholders regarding significant issues before proposing a way forward. Thus, the IAASB is scheduled to deliberate respondents’ comments in their entirety and to consider Task Force’s recommendations at its June 2011 meeting.

Activities since Last IAASB Discussions

6. At its March 2011 meeting, the IAASB Consultative Advisory Group (CAG) will discuss the matters to be considered by the IAASB at this meeting. Significant comments raised by the Representatives of the CAG will be referred to during the Task Force Chair’s presentation.
