Staff presented issues papers and the draft Consultation Paper, *Measurement*.

*Due Process: Approval of Consultation Paper, Measurement.*

The IPSASB approved the Consultation Paper, *Measurement*, which includes an illustrative Exposure Draft which indicates the IPSASB's current thinking on the scope and format of an IPSAS on Measurement. Eighteen members voted in favor. No members voted against or abstained.

The Consultation Paper will be published in late April 2019 and open for comment until September 30, 2019.
