Meeting: IAASB Consultative Advisory Group (CAG)
Meeting Location: Virtual Meeting
Meeting Dates: September 6–7, 2022

**Agenda Item**

**Strategy and Work Plan for 2024–2027**

**Objective of Agenda Item**

1. The objective of this agenda item is to obtain the Representatives’ views on the proposed draft of the Consultation Paper on the IAASB’s Strategy and Work Plan for 2024–2027.

**Project Status**

2. The IAASB’s current Strategy runs from 2020–2023 and the current Work Plan runs from 2022–2023. Therefore, the IAASB will need to approve a new Strategy (the Strategy) and Work Plan (the Work Plan)\(^1\) for the period 2024–2027 in accordance with due process\(^2\) by the end of 2023. The development of the Strategy and Work Plan involve consulting with the IAASB’s stakeholders through a Consultation Paper that will help inform the development of the Strategy and the Work Plan.

3. In March 2022 the Planning Committee (who acts as the Task Force for the development of strategies and work plans) held an initial brainstorming session and agreed to the following timeline for the development of the Strategy and Work Plan:

   - **September 2022:** First discussion with the Board
   - **December 2022:** Approval Consultation Paper
   - **April 2023:** Deadline for comments on Consultation Paper
   - **September 2023:** Board discussion of responses
   - **December 2023:** Approval of the Strategy and Work Plan

4. During the June 2022 Board meeting, the Chair and senior Staff held two lunch session with Board members to obtain their input on the Planning Committees’ initial thinking regarding a possible proposed goal, strategic drivers and strategic objectives. The current draft of the Consultation Paper reflects the input received from these discussions.

5. In the development of the draft Consultation Paper on the Strategy and Work Plan 2024–2027, the Planning Committee also took into account the results of the Survey Consultation (the Survey) that was undertaken to inform the IAASB’s Work Plan for 2022–2023. As the Survey closed just over a year ago, the comments from respondents were deemed relevant in developing the Strategy and

\(^1\) Moving into the next strategy period, it is intended that the work plan period will be changed to align with the strategy period (i.e., a four-year work plan).

\(^2\) Due process requires that the IAASB consult on the development of its strategy and work plans. The [IAASB’s Due Process and Working Procedures](#) outline the process to be followed to develop its Strategy and Work Programs.

Work Plan. The Planning Committee also took into account information obtained through the IAASB’s outreach program.

6. The Planning Committee adopted an approach to the proposed Consultation Paper to present the IAASB’s stakeholders with a complete draft of its proposed Strategy and Work Plan 2024–2027 and requesting feedback on that draft, as opposed to consulting more broadly on certain matters, topics and options which then informs the development of a Strategy and Work Plan.

7. After the September 2022 IAASB CAG and IAASB meetings, the Planning Committee will update the Consultation Paper and present it to the IAASB for approval in December 2022. The IAASB Chair will also update the Public Interest Oversight Board (PIOB) on the planned public consultation and content of the Draft Strategy and Work Plan at the PIOB’s October 2022 meeting.

8. Appendix A to this paper provides a history of previous discussions with the IAASB CAG and IAASB on this topic, including links to the relevant IAASB CAG documentation.
