Meeting Date: September 9, 2009

Conflicts of Interest

Objectives of Agenda Item

To obtain CAG members input on the IESBA's Conflicts of Interest project proposal

Discussion

The IESBA has identified conflicts of interest as a high priority project. The CAG confirmed the priority of this project at its March 2009 meeting. 92% of respondents to the strategic survey (see Agenda Item D) also expressed the view that this project was either very important or important.

The Planning Committee had developed a project proposal for this project. In light of the timing of the CAG and IESAB meetings, the IESBA has not discussed this proposal but will do so at its October 2009 meeting.

Material Presented

Agenda Paper C.1 Draft Conflicts of Interest Project Proposal

Action Requested

1. CAG members are asked to consider the project proposal and views to the IESBA.
