

Meeting: IAASB / IESBA Consultative Advisory Group

Meeting Location: Paris, France

Meeting Dates: March 8–9, 2016

Agenda Item J1-B

Responding to Non-Compliance with Laws and Regulations (NOCLAR) – Report Back

Objectives of Agenda Item

1. The objectives of this agenda item are to:
 - a) Inform Representatives and Observers of the significant comments received from stakeholders in response to the IAASB's Exposure Draft (ED), [Responding to Non-Compliance or Suspected Non-Compliance with Laws and Regulations](#).
 - b) Obtain Representatives' and Observers' views on the Task Force's recommendations.

Project Status and Timeline

2. The IAASB approved the ED at its June 2015 meeting. The comment period was open until October 20th, 2015. The ED was in response to the recent re-ED issued by the International Ethics Standards Board for Accountants (IESBA), [Responding to Non-Compliance with Laws and Regulations](#).
3. At its December 2015 meeting, the IAASB received an update from the IESBA NOCLAR Task Force Chair regarding the significant matters arising from responses to the IESBA ED that have a nexus to the IAASB's standards and the main outcomes of the discussion of the IESBA November/December 2015 meeting.
4. The IAASB's NOCLAR Task Force will present the recommendations on the responses to the comments received on the IAASB ED at the IAASB's March 2016 meeting, including obtaining any views from the IAASB regarding matters related to the IESBA NOCLAR as they relate to the IAASB's standards, in light of the intended approval of the IESBA NOCLAR proposals in April 2016.
5. Appendix 1 to this paper provides a history of previous discussions with the CAG on this topic including links to the relevant CAG documentation.

Matters for CAG Consideration

6. The issues paper presented in **Agenda Item J1-B1** summarizes the feedback from respondents, and the Task Force recommendations thereon, that are more significant in nature and require the attention of Representatives and Observers.
7. The papers for the March IAASB meeting include additional, less strategic issues. Those papers also include a draft of ISA 250, and conforming amendments to other International Standards, that show the Task Force's recommendations as marked changes. These papers are included as CAG Reference Papers.
