Alignment Impact of Key Changes Since March 2022

IPSASB’s Pronouncements:

- IPSAS 44, *Non-current Assets Held for Sale and Discontinued Operations* (May 2022)—Alignment with IFRS 5, *Non-current Assets Held for Sale and Discontinued Operations*, with minor public sector modifications.

IASB’s Pronouncements:

-

¹ The term ‘alignment’ refers to the formal processes the IPSASB follows to assess the applicability of IFRS and/or GFS requirements when developing pronouncements which faithfully represent the economic substance of transactions in the public sector. Through these processes the IPSASB aims to reduce unnecessary differences with these sources of guidance when they can also be applied in the public sector context.
