Meeting Location: New York

Meeting Date: April 10, 2013

Agenda Item

E

IESBA Strategy and Work Plan 2014-2016

Objective of Agenda Item

1. To receive an update on responses to the IESBA's survey regarding its strategy and work plan for 2014-2016 (strategy survey).

Background

2. The IESBA released its strategy survey on its website in early January 2013. The survey was also distributed to over 700 key contacts within regulatory organizations, member organizations of the IESBA CAG, other international and regional organizations, national standard setters, IFAC member bodies, IFAC boards and committees, and firms, amongst others.
3. The survey closed on March 15, 2013 and 115 completed responses have been received as of March 27, 2013. An oral update regarding the key themes from the responses will be provided at the meeting.
