Transition & Communications Plan (TCP)

Requested Action:

- A. Does the IAESB support or have feedback regarding 2019 planned engagement & communication activities? (see Agenda Item 6-2)?

Questions/input from IAESB

- B. There may be an opportunity for Task Force chairs to present the potential strategic path forward for each of these areas at the Panel's first in-person meeting in September (likely September 12-13).**
 - a. Is this something that the overall Board would like to pursue?**
 - b. Are Task Force Chairs willing to participate in this exercise (live or via video conference)?**

- C. Based on conversations with IFAC staff, there may be opportunities for Members and Technical Advisors to be involved in various sub-groups or task forces of the new Panel/Model for accountancy education based on the topical areas IFAC chooses to pursue.**
 - a. Does the Board have any feedback overall on continued involvement with the Model?**
 - b. If this opportunity did arise, would you be interested in participating in an area where you are currently involved on the Board?**
