

Virtual Board Meeting Other

In Response to the COVID-19 (Corona) virus outbreak internationally, the IAASB feels that it is prudent to change the Board meeting from a physical meeting to a virtual one with a reduced agenda. The virtual meeting will be facilitated via videoconference for IAASB members, technical advisors and official observers. Unfortunately, we will no longer be able to accommodate any public observers (either in person or virtually). However, IAASB staff will endeavor to have the recordings of the meetings up on the website as soon as possible after the session ends.
