Copyright and Translation

IFAC publishes the IPSASB's handbooks, standards, and other publications and owns the copyrights.

IFAC recognizes that it is important that preparers and users of financial statements, auditors, regulators, lawyers, academia, students, and other interested groups in non-English-speaking countries have access to the standards in their native language, and encourages and facilitates the reproduction, or translation and reproduction, of its publications.

IFAC's policy with regard to translation and reproduction of its copyrighted publications is outlined in *Policy for Translating and Reproducing Standards Published by the International Federation of Accountants* and *Policy for Reproducing, or Translating and Reproducing, Publications of the International Federation of Accountants*. Interested parties wishing to reproduce, or translate and reproduce, this handbook should contact permissions@ifac.org for the relevant terms and conditions.
