23. All Members wishing to put forward a candidate for appointment as Chair of or as representative on the TAC must file a letter of intent with the Secretary of the Forum at least two months in advance of an annual meeting of the Forum. Each Member shall state the name of the proposed individual and provide such information as the IFAC Nominating Committee may determine.

As considered necessary, this report shall contain, for example, an outline of the proposals for policy and strategic initiatives, including proposed work plans for the next calendar year, together with an overall indication of their impact on total future costs and the annual allocation of financial contributions to Members.
